JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 24 November 1964

1. [REDACTED]

2. [REDACTED] I met with Mr. Francis McNamara, Staff Director, HCUA, and advised him that inquiries had gone out and that I hoped to know in the morning the name, address, and phone number of the individual who is acting as [REDACTED] with regard to TV appearances and so forth. My understanding is that this would be the appropriate point of contact for the committee to arrange to meet with [REDACTED] before [REDACTED] leaves the country this weekend.

3. [REDACTED] In the absence of Colonel Hal Gould, Military Consultant, House Committee on Science and Astronautics, I met briefly with Mr. Peter A. Gerardi, Technical Consultant and advised him that the meeting with the committee staff personnel for 10 December in the Committee hearing room, B 214 of the Longworth Building has been confirmed.

4. [REDACTED] Met briefly with Mr. David Glick, Counsel, Foreign Operations and Government Information Subcommittee, who advised that the Subcommittee has not received a copy of the self-styled [REDACTED] testimony, but that Mr. Kass is working on the matter and will be back in the office Wednesday morning.
